Food Matters!

Especially when it comes to addressing the problems of an increasingly vulnerable global system. We invite you to hear speakers with different indigenous and international perspectives on solutions to the challenges we face.

Join stimulating discussions about New Zealand agriculture. Register now, and help guide decisions that will set the course for our environment and the nature of food for coming generations.

February Tour Dates

9–10 th	Christchurch Talks Prof. Seralini, Prof. Huber
14–15 th	Wellington Conference National & International Speakers
16–17 th	Hawkes Bay Talk Prof. Seralini, Prof. Huber, Dr Shiva, Chef Douzelet
19–20 th	Auckland Talk Prof. Seralini, Dr Shiva, Chef Douzelet

The talks will discuss:

- Industrial modern agriculture.
- Sustainable agroecology.
- Options for future food production.
